SUMMARY

Performance marketer with 5 years in digital marketing, nearly 3 of them running Google Ads. Spent the last year on Google's advertiser optimisation programme through Cognizant in Lisbon, auditing and restructuring Search, Performance Max and Demand Gen campaigns for 100+ advertisers in 5 markets. Before that, freelance Google Ads and SEO work, and 2 years of B2B lead generation in cybersecurity and IT services with HubSpot and Salesforce. Lived and worked in London and Lisbon. Looking for a VIE mission in paid search or performance marketing, ideally in B2B tech. Portfolio :

PROFESSIONAL EXPERIENCE

Marketing Optimization Specialist **Aug 2025 - Aug 2026**
Cognizant Technology Solutions, Lisbon | *Client: Google (Google Ads advertiser optimisation)*

- Optimised Google Ads accounts for 100+ advertisers in France, Spain, the Netherlands, Portugal and the US, in French and English.
- Scaled a €56k/month Search account by 73% after enabling AI Max for Search: conversions +60%, clicks +58% over the next 30 days, with CPA held within 9% of baseline.
- Audited accounts alongside 30+ Google account managers, then presented the recommendations to advertisers, mainly on Performance Max, keyword strategy and account structure.
- Fixed conversion tracking (enhanced conversions, GA4, Consent Mode) before moving them to Smart Bidding.

Digital Marketing Freelancer **Sep 2023 - Apr 2025**
Self-employed, remote

- Improved KPIs on Google Ads by rewriting responsive search ads, and improving overall ad strengths to Excellent.
- SEO for client websites using Semrush and Ahrefs, managing 1M+ visits over 6 months.
- Built and ran tech affiliate websites on WordPress, including paid and non paid type of content.

Marketing Coordinator (apprenticeship) **Mar 2022 - Jul 2023**
DoCaret, Paris | *for Getzem Secure, the group's B2B cybersecurity subsidiary*

- Set up MQL tracking in HubSpot; 50+ qualified leads passed to sales. Monthly reporting on GA4 and HubSpot.
- Planned the October 2022 European Cybersecurity Month campaign for Sentinel, a VR game for cybersecurity training in Spanish, French and English.
- Produced 15 promotional videos, 30 blog posts and a monthly newsletter for IT managers in aerospace and defence including Safran and Airbus; ran 6 security-awareness webinars.

Marketing & Sales Developer (apprenticeship) **Dec 2020 - Aug 2021**
Big Data Consulting, Paris | *B2B IT consultancy specialising in EDI (Electronic Data Interchange) and logistics*

- Ran cold email, phone and LinkedIn outreach to SaaS and retail companies in France and Morocco, generating 30+ qualified B2B opportunities, 5 of them from events.
- Co-organised an online EDI convention and 3 webinars (invitations, logistics); guests included software vendors such as Sage.
- Built prospect lists and follow-up sequences in Salesforce to track leads through to sale, and produced 10+ videos and brochures for the company's SaaS modules.

Digital Marketing Trainee **Mar 2019 - Aug 2019**
Space Finders, London | *residential real-estate start-up*

- Ran Instagram ads on a £2k monthly budget; CTR up from 2% to 2.5%.
